European Cyber Security Organisation ASBL

Membership Application Form

Thank you for your interest in becoming a Member of ECSO ASBL. To become a Member, you need first to fill in this *Membership Application Form*.

A prerequisite to answer some of the questions below and to become a Member is to read and accept the Statutes of our organisation. Operational details are described in our organisation's Bylaws. You may find these 2 documents on the ECSO official website (www.ecs-org.eu).

Please send the filled in and duly signed (end of the document) this Membership Application Form to luigi.rebuffi@ecs-org.eu.

We may request additional information from you, on behalf of the Association, to allow the ECSO Board of Directors to better consider your application and make a decision regarding your membership.

To be admitted as an ECSO Member, you must be:

- (a) a Legal Entity established in at least one ECSO Country¹, or
- (b) a public body from an ECSO Country.

MEMBERSHIP FEES

Membership comes with a membership fee. This is important as only with sufficient resources can we provide adequate and quality support to the cPPP and reach objectives related to industrial measures identified by the ECSO Association. The Commission has been particularly clear on this point as they want not only supporting the activities of the ECSO Working Groups, but also and in particular to closely track the progress of the cPPP and provide high quality reporting, especially concerning anonymised data for the leverage factor.

The calculation of these fees is based on your organisation's category, the turnover or budget, according to usual approaches. These fees are similar to those applied to other associations supporting ongoing cPPPs.

¹ An ECSO Country is defined as:

- (a) a Member State of the European Union (a Member State) or an EEA / EFTA country,
- (b) a country associated to Horizon 2020 as defined in the Bylaws

ECSO ASBL - Membership Application Form

*(All fields marked with * are mandatory)*

For 2017, the full year membership fees will be as in the following table.

As per decision of the ECSO Board of Directors, membership fees will have a quarterly decrease during the year (100% for a membership approved in the period January to March; 75% if membership is approved between April and June; 50% if membership is approved between July to September; 25% if membership is approved in the last three months of the year.

“Provisional membership” can be provided soon after your membership request has been sent to the ECSO Secretariat. In this case, you’ll be allowed to participate in ECSO activities (Working Groups, events, etc.) yet without voting rights and the possibility of being elected, until full membership is accepted by the ECSO Board of Directors (The Board of Directors gathers 4 times a year).

During the “provisional membership period”, provisional members will already receive all information provided to approved ECSO members. The information and documents the “provisional member” will get access to prior to the formal approval of its Membership should be considered as confidential. It is therefore forbidden to transfer or share the information or documents to any other body without the formal consent of the ECSO Board.

Application as: *(Please tick one answer only)*

ECSO	Annual fee €	
Large providers (directly represented) of cybersecurity solutions / services providers	12000	<input type="checkbox"/>
