INVITATION

Don't miss your chance to attend cybersecurity pitches & B2B meetings

The European Cyber Security Organisation (ECSO) and eurobits e.V. - European Competence Centre for Information Technology Security (Bochum) have the pleasure of inviting you to the **8th edition of the Cyber Investor Days**, scheduled on **30 November - 1 December 2020 in Bochum, Germany**.

Despite the challenging times, the most promising European cybersecurity startups and SMEs will have a chance to pitch their innovative cybersecurity solutions and hold B2B meetings with the leading investors and corporates from Europe and beyond.

8th Cyber Investor Days will be organised as a **hybrid event, allowing physical (in-person) and virtual (remote) attendance**. Participants will receive further information closer to the event date.

The last edition of the ECSO Cyber Investor Days took place on 13-14 May 2020 and was organised as an all-virtual event. It proved to be a great success – the record number of investors and corporates attended the event, around 150 virtual B2B meetings were held.

Interested? Make sure to apply before **Sunday, 18 October 2020, midnight CET**.

ECSO cybersecurity business matchmaking events are designed to:

- Cover different investment phases, ranging from seeding to strategic investment and M&A.
- Give exposure to potential corporate customers and business partners.

We are looking forward to meeting you at the 8th Cyber Investor Days!
